## Progressive Scramble Tournament

All men start from the middle tees and all women start from the front tees. Women will remain on the front tees all day. Men will tee based on the teams score on the previous hole. If the team pars the hole, they play from the same tees as the previous hole. If the team birdies, they move back a tee box. If the team bogeys, they move forward a tee box. All players tee off, the best shot is chosen and all play from there. This continues until the ball is holed.
