CWHBA Dues Auto-Renewal Enrollment (Mark to Enroll)

The Central Washington Home Builders Association is pleased to offer members a way to automatically renew their dues via a debit or credit card.

Terms & Conditions

At the end of your renewal month, your dues will be charged to your debit or credit card. You will be notified of the pending amount one (1) month prior to your renewal date. Upon completion of payment, your membership will renew for successive one (1) year terms. To cancel at any time, either write a letter or call into CWHBA. Requests must be received prior to the 5th business day of the month of renewal. Requests made after the 5th business day may not be honored for the current renewal period, but will take effect for future renewals.

If we are unable to process your payment for any reason, CWHBA will notify you and a standard dues invoice will be mailed to you. If there are any changes to your card and/or billing information you must notify CWHBA.

Because the annual membership dues may vary from year-to-year (often related to cost adjustments made by NAHB or BIAW), the amount charged to your debit/credit card may increase from year-to-year. Such changes will be provided on your renewal letter.

By enrolling in Automatic Renewal and signing below, you hereby authorize and agree to allow CWHBA to charge your debit/credit card provided below, the amount for membership dues one year from the date it is submitted and accepted and each successive year thereafter, in your renewal month. If the debit/credit card belongs to a business, your signature declares that you are an authorized agent of the company and your company understands that they are obligated to pay the authorized charges. Authorization will remain in effect until canceled.
