BIAW's Education Program Funding Grant Application

The Building Industry Association of Washington (BIAW) is the voice of the housing industry in Washington with nearly 8,000 member companies, employing over 200,000 workers, making BIAW the largest trade association in the state.

Who Should Apply?

- Organizations requesting funding for programs in a ***construction industry-related field of study (including but not limited to: construction career training, continuing education, apprenticeship programs, skills assessment programs).***

Funding Grant Deadline and Notification

All applications must be **postmarked by May 14, 2021.** The selection committee will make its decision in early June. Funding grant recipients will be contacted via mail by June 30, 2021. All applicants will be mailed notice of their final status.

Distribution of Funding Grants

BIAW will award:

- Funding grants to programs supporting ***construction industry-related field of study (including but not limited to: construction career training, continuing education, apprenticeship programs, skills assessment programs)***
- Funding grants are for the 2021-2022 academic school year
- Average awards are typically $1,000-$5,000

Questions

If you have any questions, please contact BIAW at (360) 352-7800 ext. 105 or education@biaw.com.
