

CWHBA Board Member Commitment - 2022

The Central Washington Home Builders Association’s vision is to provide *“A member focused association that serves its members by providing resources and a network to positively influence the building industry.”*

Each Board member makes a difference by supporting this vision in their own way. I am inspired to make the following commitment, using my own unique skills, talent, resources and influence:

- I am committed to the CWHBA’s vision and will act as a role model and ambassador for the CWHBA.
- I will be an engaged board member, spending an average of four hours per month: attending board meetings (2nd Tuesday at 4pm), committee meetings, assisting in advocacy, education and volunteering at the events. I understand that missing more than three consecutive meetings during the fiscal year may result in the removal of my position on the board.
- I will stay informed about what's going on in the organization. I will ask questions and request information. I will participate in and take responsibility for making decisions on issues, policies, and other board matters.
- I will work in good faith with staff and other board members as partners toward achievement of our goals and our mission.
